MARINO'S
Pizza
HOME OF THE BEST CHEESESTEAK IN SOUTH JERSEY

100 N. Black Horse Pike Runnemede, New Jersey

In the winter of '72, two brothers from South Philly, Joseph and Dominic Marino, opened a corner pizzeria in Runnemede, New Jersey. The flour salesman and the high school teacher had no prior food industry experience.

They learned as they went but turned to their mother Carmella for recipes that became the foundation of this South Jersey landmark.

From the beginning they had two guiding principles: use the best ingredients and treat their customers like family. A lot has changed over the years but what is important has remained the same. Salute!
